

Where The Country Comes to The City!

2900 Lake Street  
Kalamazoo, MI 49048

Dear Friends:

Welcome to the 2011 Kalamazoo County Fair! We are noted, historically, as being Michigan's first fair. Our annual celebration continues to promote its agricultural roots while striving to be one of the area's major summer tourist attractions.

Come enjoy all the exhibits, visit the animals, enjoy the grandstand shows and the carnival. We are looking forward to seeing you again this year!

The mission of the fair is to promote agriculture and create a positive experience for families in Kalamazoo County and the surrounding area through exhibits and entertainment. Our youth exhibitors work hard all year and this is their opportunity to showcase their projects!

Make the fair a part of your summer entertainment plans!

Sincerely,

Bonna Perrin  
President
